Holiday Schedule

Please note our holiday schedule above. We will be closed all day on Monday, December 26th for Christmas. We will also be closed Friday, December 30th for our physical inventory and January 2nd for New Year's. Our out of town delivery routes will be scheduled as per our normal rotation beginning Tuesday, January 3, 2012. Special arrangements may be made for certain out of town deliveries if necessary.

It's that time of year again when we all start thinking about this past year and all the things we have to be thankful for. We are all very thankful for you, our wonderful customers, for your continued loyalty, support, friendship and patronage. It has been another challenging year but we have all persevered and are expecting things to look up in 2012! Here's wishing you a very Merry Christmas and a prosperous, happy and blessed New Year!!

We now have the Crescent Select Suedes, Silks and Linens in stock!

Also, if you haven't just happened upon it - we now have a new website!!!! It's been desperately needed and a really long time coming. It's not totally finished but ALL of our mouldings are pictured and are grouped in categories. They are all pictured in thumbnails and when you click on the thumbnail the image enlarges. The product number and description are also listed. If you hover over the thumbnail the product number appears. At this time I do not have the ability to add a search option but hopefully will in the future. A picture of all the readymades are up as well. Please feel free to offer suggestions, comments, criticisms, questions, etc.

I also intend to start a Facebook page (OMG!) and will announce that when it happens. It may not be until the first of the year. We are kicking and screaming into the social media age - LOL!!!!

Also, a note about our e-mail address. You can still reach us at custserv@lexframing.com but our PREFERRED e-mail address is: lexframing@yahoo.com
