If you haven't seen our new website design please be sure to check it out! The web address is the same www.lexframing.com. ALL of our mouldings are shown. Please feel free to let me know any comments, suggestions, complaints, etc.

Oops! Things just happen sometimes that are beyond our control - but please be aware that if you have a check that is returned to us it will be re-presented electronically and our bank (not Lexington Framing Supplies) will charge you \$50.00! Also, our bank charges Lexington Framing Supplies \$12.00 for the returned check - which we will also pass on to you. That is \$62.00 - OUCH!!! If you need for us to hold your check for an extra day or two please let us know. We DON'T want you to have this fee!
